

Pharmacy MANAGER for compounding pharmacy

Apotheca Compounding Pharmacy - Toronto, ON

We are a boutique compounding pharmacy, located in the heart of Forest Hill Village. We were just recently featured in Toronto Life's "Best of the City".

We pride ourselves on:

- providing exceptional customer service.
- unique healthcare solutions through compounding and a selection of pharmaceutical grade supplements.
- curating a selection of unique, hard to find products.

We are looking for a friendly, enthusiastic pharmacist with excellent communication skills. The ideal candidate should possess a love for learning, be familiar with College of Pharmacists' guidelines, and be a great leader and team member.

Candidate should have at least 2 years experience as a retail pharmacist.

Job Type: Full-time

Required experience:

- pharmacist: 2 years

Required license or certification:

- injection certified
