## THE CENTRE FOR PHARMACEUTICAL ONCOLOGY

### Call for Applications for Graduate Student Scholarships

Announcement:	May 9, 2017
<b>Deadline:</b>	<b>June 2, 2017</b>
Review:	June 2, 2017-June 23, 2017
Notice of Decision:	July 3, 2017
Scholarships in Effect:	September 1, 2017

**CPO Scholarships:** The Centre for Pharmaceutical Oncology (CPO) is offering a total of 10 one-year scholarships (\$ 4,000 each) to MSc and PhD graduate student trainees who are members of the CPO. If you are an Associate Trainee member, your research project must be a collaboration between your supervisor and a Full Member of the CPO.

**Application Form:** Please complete the application form available on the CPO webpage on the Leslie Dan Faculty of Pharmacy website: <http://www.pharmacy.utoronto.ca/cpo>. E-mail the completed form and documents to Sam Dalfonso at [sam.dalfonso@utoronto.ca](mailto:sam.dalfonso@utoronto.ca). Make sure your e-mail includes the following:

- Completed application form
- 2 Page Biosketch
- Non-official transcript

In addition, please arrange for a letter of recommendation to be sent directly to [sam.dalfonso@utoronto.ca](mailto:sam.dalfonso@utoronto.ca) by your supervisor. If you are an Associate Trainee member, this letter should state that your project is a collaboration between your supervisor and a Full Member of the CPO.

**Note:** Completed application, biosketch, letter of recommendation from your supervisor and non-official transcript must be received by June 2, 2017.

## Review Process and Criteria for Selection

- All applications will be screened for eligibility. **Please be sure that you are a member of the CPO and that your supervisor is also a member.**
- All eligible applications will be reviewed by the Scholarship Committee and scored on a 0 (lowest)-10 (highest) scale according to the following criteria:
  - Student transcript (20%)
  - Student accomplishments in publication or conference presentations or other academic research activities as indicated on biosketch (25%)
  - Student's proposed research project and alignment with cancer research mission of the CPO (40%)
  - Letter of recommendation (15%)
- Based on the scores, applications will be ranked and scholarships awarded up to a maximum of 10 scholarships with priority given to trainees of Full Members but some awards provided to highly ranked trainees of Associate Members. The Scholarships Committee will also use its discretion in awarding scholarships to ensure a balanced and wide representation of member trainees within the CPO.

**Questions and Information:** If you have any questions or need further information, please contact: Dr. Raymond Reilly, Director, Centre for Pharmaceutical Oncology at [raymond.reilly@utoronto.ca](mailto:raymond.reilly@utoronto.ca).
