## THE CONNAUGHT GLOBAL CHALLENGE AWARD SEMINAR SERIES:

### ***Corrupting Health Care: The Unequal-by-Design COVID-19 Global Vaccination***

Presented by Dr. Ximena Benavides

Ximena Benavides is a Lecturer in Critical Thinking at Yale University. She is a Fellow at the Yale Institute for Global Health (with GAVI-COVAX), the Yale Law School's Information Society Project, and the Yale Fox International Program at UBC. Her work focuses on interdisciplinary research, using approaches in law, policy and the political economy of health, on topics of anti-corruption in health systems, healthcare reform, access to health, and digital health. Her research has been supported and awarded by institutions including the Yale Institution for Social and Policy Studies, the Yale Law School's John M. Olin Center for Law, Economics and Public Policy, the Mercatus Center at George Washington University, and the Yale's Schell Center for International Human Rights.
