THE CONNAUGHT GLOBAL CHALLENGE AWARD SEMINAR SERIES PRESENTS:

Infodemiology, the Infodemic, and Combating Misinformation during the COVID-19 Pandemic

Presented by: Dr. Tim K. Mackey, MAS, PhD

Dr. Mackey is a Professor at UC San Diego in the Global Health Program, the Director of the Global Health Policy and Data Institute, the Editor-in-Chief of JMIR Infodemiology, a faculty affiliate at the San Diego Supercomputer Center, and is also the CEO and co-founder of the National Institutes of Health funded startup S-3 Research. He has co-authored over 200 articles in a wide array of interdisciplinary journals with a focus on topics in global health, health policy, global health governance, pharmaceutical policy, public health and data science, and infodemiology. He has also acted as a past consultant for the World Health Organization, U.S. Department of Justice and several other organizations.

Hosted by Dr. Jillian Kohler

Professor at the Leslie Dan Faculty of Pharmacy, University of Toronto and
Director at the WHO Collaborating Centre for Governance, Transparency & Accountability in the Pharmaceutical Sector
