

Christine Donaldson

Christine Donaldson is the Vice President, Pharmacy of HealthPRO Procurement Services, Inc. Christine principals HealthPRO's Pharmacy portfolio, leading the procurement of pharmaceuticals on behalf of more than 1,300 hospitals across the country. In this role, Christine works collaboratively with members, suppliers, industry associations and all levels of government to spearhead strategic initiatives designed to maximize savings and promote assurance of supply and patient safety.

Prior to joining HealthPRO, Christine was Director of Pharmacy Services at Windsor Regional Hospital, where she oversaw pharmacy operations for inpatient pharmacies across two acute care campuses, the regional cancer centre pharmacy and chemotherapy suite, as well as three accredited outpatient pharmacies. Christine has a Bachelor of Science degree (Pharmacy) from the University of Toronto and a Master's degree in Adult Education, received the Osgoode certificate in Public Procurement Law and Practice and is a member of Health Canada's Multi-Stakeholder Steering Committee (MSSC) on Drug Shortages.
