

Dean Miller

Dean has worked for over 30 years across both Canada and the US, with extensive experience in corporate and independent pharmacy. He is a staunch advocate for the profession, and has held numerous positions with the government, and associations.

In a government appointed role, he was the Corporate Representative on the Ontario Pharmacy Council. Dean was elected as Chair of the Ontario Pharmacists Association in 2009, during a pivotal time for the profession and the association. Additionally, he was the Ontario Chain Drug Association representative on the OPA Board of Directors, and has served on many committees, both with the Canadian Pharmacists Association and the Canadian Association of Chain Drug Stores (now the Neighbourhood Pharmacy Association of Canada).

Dean is currently the President of Whole Health Pharmacy Partners.
