

Mike Sullivan

Mike Sullivan co-founded Cubic Health in 2003 and serves as the company's Chief Executive Officer. Cubic provides Plan Analytics, Predictive Analytics, Clinical Solutions, Machine Learning as a Service, and Pharmacy Services to self-insured health benefit plans ranging in size from 1,000 to over 500,000 employee lives.

Cubic works with single- and multi-employer plans and Trusts to optimize the health of both plan members and the underlying benefits plan itself. Cubic's unique capabilities in terms of integrating and making sense of underlying claims data and implementing customized, evidence-based solutions is driven by its proprietary analytics infrastructure and team of Clinical Pharmacists, Data Engineers, Data Scientists, and Software Developers.

Mike began his career as a Community Pharmacist and has previous experience working in both the pharmaceutical and benefits consulting industries.

Mike graduated from the College of Pharmacy at the University of Saskatchewan where he was honoured with a Centennial Alumni of Influence Award. He completed his Master of Business Administration degree from York University where he specialized in Finance.
