

# We are hiring!

**Our dedicated teams of licensed professionals focus on what matters most: the health of our customers.**

Our Pharmacy and Optical associates are some of the most accessible healthcare professionals in Canada. These teams are committed to building relationships with our customers and being the trusted source for all their questions and concerns. And not just the parts that involve expert advice about prescriptions – the team also organize wellness days in-store and other events to help customers live better every day.

## Current Opportunities:

Staff Pharmacist – Port Hawkesbury NS

Relief Pharmacist – Antigonish NS

Relief Pharmacist – Truro NS

Staff Pharmacist- Goderich ON
