

# Billy Cheung

Billy Cheung is Chief Strategy and Pharmacy Officer for Pharmasave East. A seasoned pharmacist who is focused on the latest advances in patient-centred healthcare, interactive digital solutions and medication management, he is a senior leader for the more than 500 Pharmasave drugstores across Ontario and the Atlantic provinces.

For over 25 years, Billy has been extensively involved with pharmacy associations and organizations. He is a former Chair of the Ontario Pharmacists Association, a former Chair of the Ontario College of Pharmacists, and currently remains as an elected Board Director with the OCP.

Outside of his pharmacy life, Billy spends time with his family, runs marathons, and cycles to faraway places for charitable causes.
